Class	Description
Beginning & Intermediate ESL with Rallou	For high beginning & intermediate English learners: We practice reading and writing, learn new vocabulary, and develop listening and speaking skills.
English with Rallou	For low intermediate to high intermediate students: We practice reading, writing, speaking and listening. We learn grammar and practice English conversation.
Special Topics	For intermediate and above: We practice reading, writing, grammar and conversation.
Pronunciation	For English learners intermediate and above: Learn to pronounce English sounds, words and phrases and passages & understand their meanings.
Conversation	For ESL students: Practice conversations with other students on a wide variety of topics and common American conversation practices. These groups will be kept small, and only students actively attending will be invited.
Reading & Writing Skills with Rallou	For intermediate to high-intermediate students: Learn reading strategies to build comprehension, vocabulary and fluency. Focus on vocabulary, grammar skills, context clues, inference, text structure, and paragraph writing.
